*Limited flying spots are available for experienced R/C Pilots.

Due to the confined nature of the Indoor Flying Area at the stadium, Pilots will be selected based on R/C experience and flying ability. All flying will be subject to approval by the Flight Line Director: "Unsafe" or "Out of Control" flying will not be tolerated.

PLEASE NOTE: Outdoor Fun Fly registration is included and participation in the outdoor fun fly is free of charge to all fun fly registered pilots. Pre-registered pilots will not have to buy daily tickets to the event as their pilot badge will allow them access into the stadium during show hours.
